

Dear E Hess,

On behalf of the Allan Gray Orbis Foundation, it gives me great pleasure to **congratulate your school** on being recognised as a **Circle Of Excellence School (COE)** for **2016**.

Membership of the Foundation's COE Schools is limited to the top 100 South African schools as measured by the Foundation's criteria and offers your school the opportunity to nominate learners for the 2016 selection process.

The Foundation provides full financial support for students who want to pursue tertiary studies at selected universities. This opportunity, known as the **Allan Gray Orbis Fellowship**, explores entrepreneurial mindset development building on the base of a solid academic platform.

As one of the best performing schools in the country, we would like to offer your school an opportunity to nominate 3 students to apply for the fellowship. Please see the attached nomination documents.

Opportunity:

- Nomination of 3 candidates for the 2016 selection process
- Candidates must currently be in Grade 12
- Nomination of no more than 1 white candidate in line with the Foundation's focus on demographic diversity
- Please refer to the nomination checklist for ideal applicant requirements
- **Nominations to be submitted by 13th April 2016 (just the 3 names and details of the nominees on the nomination form). The application form specifically titled 'CIRCLE OF EXCELLENCE' (attached) to be submitted by the nominated candidates to the Foundation by 29th April 2016.**

Please do not hesitate to contact us for any further enquiries.

Kind Regards
Lopang Molope
