TIPS; Before embarking into any alternative power generation &/ storage/s, (SOLAR pumping/ "geysering" etc incl) from anywhere pre reading of quality subject matter is always very strongly advised, continues reaudinog are then advised as well;

- ***Compulsory as well as recommended pre reading material before any/ all training /insightful learning sessions: [Solar All About](#);***
- ***PLEASE NOTE: ALL TRAINING ONLY AVAILABLE TO A SM CLIENT WHO EG DIRECTLY IN PERSON PURCHASED THIS BOOK IN THE SM STORE & FULLY READ AS WELL AS PREFERABLY UNDERSTOOD THISSPECIFIC BOOK'S CONTENTS BEFORE ANY TYPES OF TRAINING SESSIONS BEGINS. (OTHER & ALL T'S & C'S APPLIES REGARDING ALL OUR OTHER SERVICES & PRODUCTS AS WELL).***
